

Serial Number: 09/854,208
Filed: May 10, 2001

REMARKS

Applicants have herein amended the claims by cancelling Claims 43-59 and adding new Claims 60-70. Claims 60-70 correspond to an election of Group II of a restriction requirement made by the Examiner in the Office Action (Paper No. 11) mailed on July 22, 2002, namely claims 43-59 in part, drawn to an isolated polypeptide having at least 80% sequence identity to SEQ ID NO:3 (PRO1122), or to a polypeptide encoded by the cDNA of ATCC 203552, and a composition thereof, classified in class 530, subclass 351. Applicants respectfully request entry of the newly added Claims 60-70 for prosecution in this application, wherein support for these new claims can be found in the originally filed claims.

Respectfully submitted,

GENENTECH, INC.
